ABOUT MAGIC CELL

MAGIC is a place where a group of people who are passionate about solving problems cater to the issues of students of Sushant School of Engineering and Technology.

MAGIC makes sure then every student must feel a sense of relief that their problems matter and that someone is out there working for them.

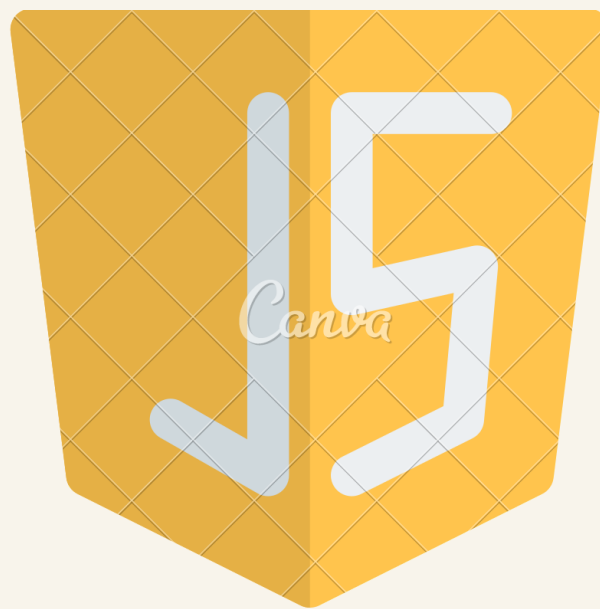

MAGIC Cell works in a way which includes dividing problem into stages and working on each stage individually.

The steps include:

1. Submit issue
2. Initial contact
3. Direct/Indirect solution
4. Issue resolved

Submit Your Issue

Fill in the form below.

For Accounting/Financial Issues

Dear Students, Please keep in mind that for issues related to finances, an additional email will be required that should be sent to us alongside the form. Failure to do so will lead to your case not being taken up by the committee.

FUTURE WORKS

Currently, the website lacks functionality and working of forms such as contact us and submit issue. I intend to practice JavaScript to add more functions for frontend.

I would also learn MySQL, MongoDB, node.js and express.js for database and backend.
